**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We value competitive choice, so we urge that you oppose the USTelecom petition.

Fixing internet access and telecommunications in America isn't easy, but our local ISP, LMi.net, is committed to that mission. We know and trust and appreciate the services LMI provides. We do NOT trust ATT, Verizon, or many Big Telecom corporations.

Broadband providers are critical to society. NO to price hikes! YES to more competition!
